A Mother's True Friend

"I would like to express my gratitude for the benefit received from your wonderful medicine, "Favorite Prescription," writes Mrs. H. C. Anderson, of South Britain, New Haven Co., Conn., (Box 33). "During the first month of pregnancy I could not keep anything on my stomach. Was so sick that I had to go to bed and stay for weeks. I tried different dectors, but with little benefit. I read about many being helped by using your medicine so I thought I would give it a trial. I began to take your 'Favorite Prescription' in November and I had a nice little baby girl in February following. My baby weighed over eight pounds. I was only in hard labor about one hour and got along nicely during confinement; was up and dressed on the eighth day. I never had the doctor with me at all. My friends thought that I was sick a very short time. I wint to Plerce's Havorite Prescripthat I was sick a very short time. I think Dr. Plerce's Favorite Prescrip-tion is indeed a mother's true friend,

"One thing is practically certain.
The New York lay delegation will fight the measure hard. J. Pierpont fight the measure hard. J. Pierpont Morgan is at the head of the delegation, and his personal influence will be considerable. The most opposition will come from the Vanderbilts and the Belmonts. The Vanderbilts are members of St. Thomas' Church, the leading fashionable church of New York city, and are also members of our Board of Missions. As you probably know from newspaper talk, the Vanderbilts and the Belmonts are more or less mixed up in divorce and remarriage.
